What's "in" for 1968?

Why, it's gossip, it's lectures, it's announcements, and during those few moments of silence now and then at L.H.S., it's scribbled thoughts, or meaningful glances on sometimes excited, sometimes tranquil, and sometimes doleful faces.

The eager eyes of Lincolmites
scrutinize favorite films,
formerly furry felines,
transient test tubes, tedious
texts, and teacher's
scrawling script.

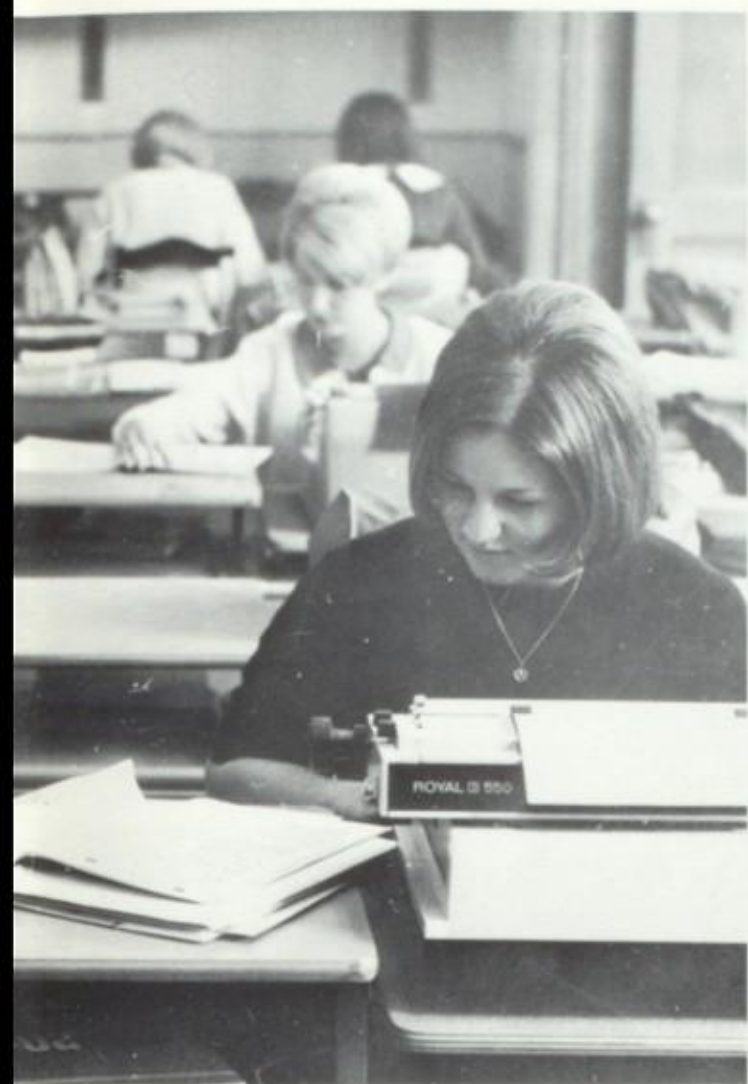

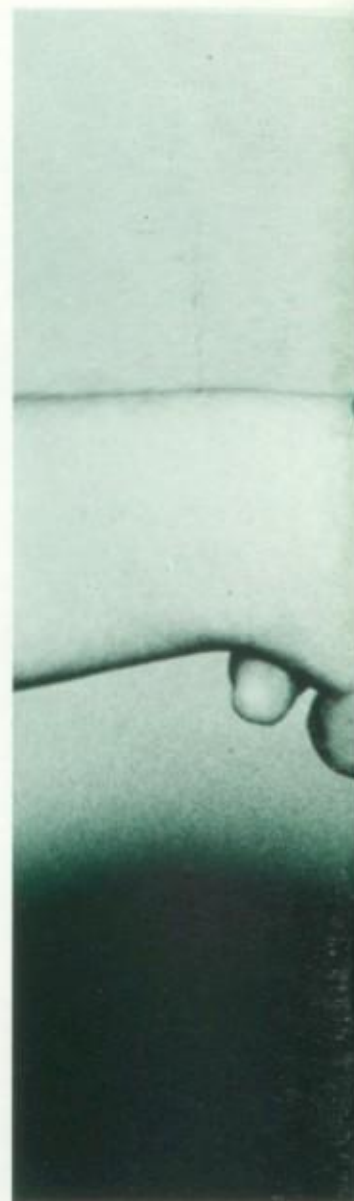

Sweet reverberations of chaotic chatter,
shrieking screams, belligerent bells,
emitting earphones, and mellow
melodies sound through the
hallowed halls.

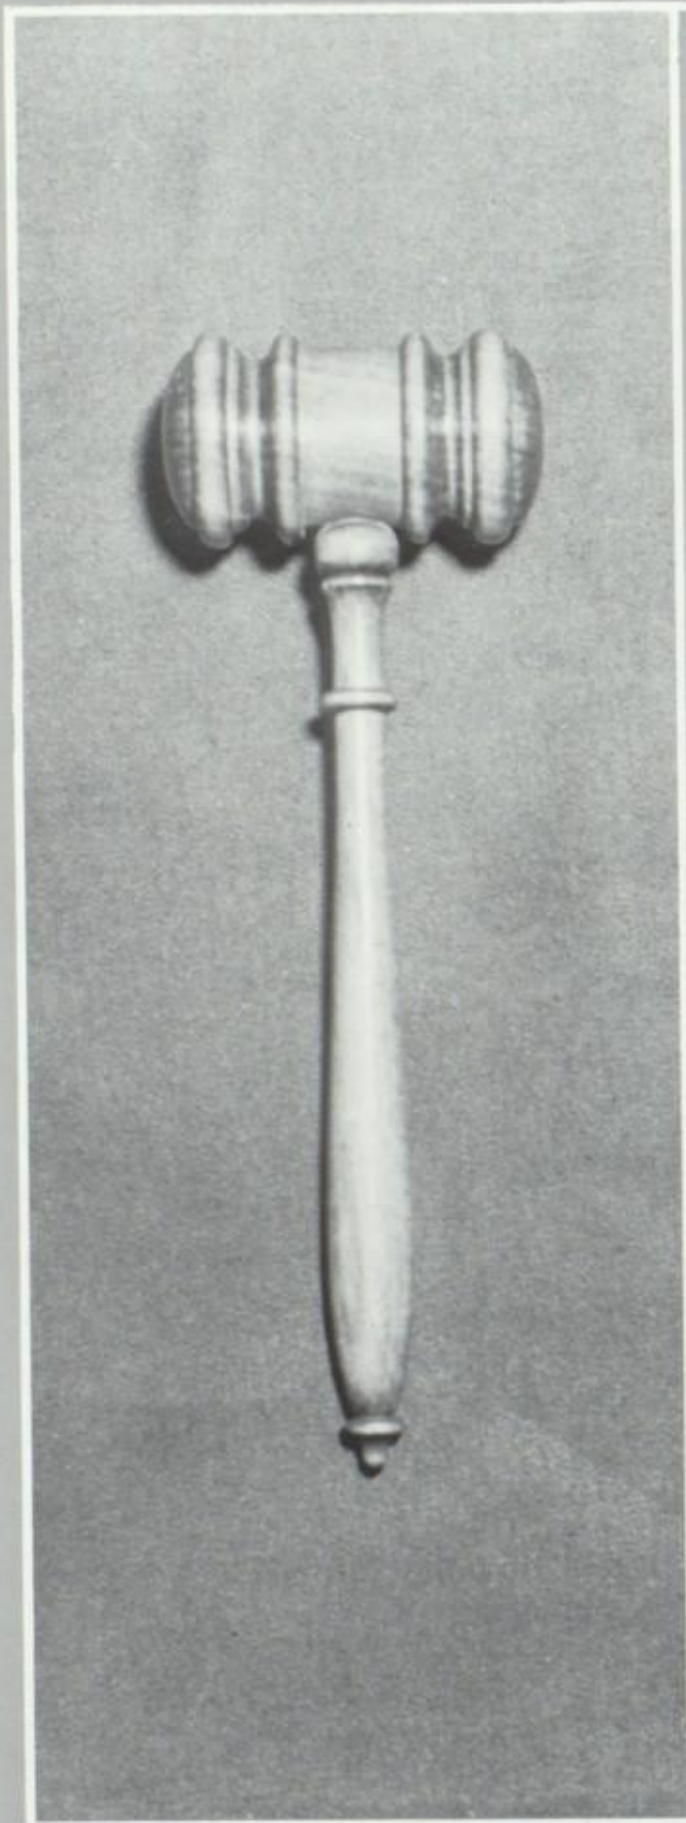

And then there are those feelings that no word spoken, no word written, no word contemplated can convey . . . a teacher's understanding, a pair of appendages acquiring skills vital to future professions, the feel of another's pulse, but forever, the unvarying feel of the aura beaming, radiating from another human being.

This year Student Council sent three of its officers, Janet Weir, Dave Kent, and Kim Calvo to Ohio Northern for the Student Council Workshop. A Get-Acquainted dance was held to start the school year. The annual Lincoln-McKinley Door Decorating Contest was held to spark the school spirit. Council sponsored the Viet Nam project for the second year. Fourteen boxes were sent to Lincoln graduates for their Christmas in Viet Nam. A contribution was also made to the Christian Children's Fund. The Student Council, represented by Paula Massouh, Dave Kent, Janet Weir, and Jean Voltz, presented the Apple Creek State Hospital with a 100 dollar check and four boxes of gifts. The biggest project was the All-School Sports Prom which was held in March.

Serving on Lincoln's Student Council was an experience in working government and strong citizenship. Each representative did his part to make Lincoln High School a place of which the entire student body was proud.

National Honor Society is an honorary scholastic organization for high school students. The creed of the society, "Character, scholarship, leadership, service," exemplifies its high ideals.

A student may qualify for National Honor either in his junior or senior year. A senior must be in the top fifteen percent of his class. A candidate must also meet other requirements, such as the approval of the faculty, participation in extracurricular activities, and an excellent citizenship record.

This year Lincoln Chapter 3150 was proud to induct 31 seniors and 17 juniors into the National Honor Society which is perhaps the highest honor a student can achieve. Inducted in their junior year were: Gary Regula, John Noretto, Elaine Pennington, Sheryl Shackle, Heather Nixon, Heather Ann Beatty, David C. Miller, Darcy Hahn, Eric Blumensen, Alice Gruber, Jennifer Morrison, Linda Sue Bryant, and Michael Cain.

Dale Wernecke as he speaks during the Thanksgiving assembly.

The Linion League, a non-credit organization for boys who possess outstanding scholastic and citizenship records, is open for membership to any boy who has had a 3.0 average for his first five semesters, has participated in at least one school activity each year, and has excelled in citizenship qualities. A student with these qualifications must also have obtained the affirmative vote of two-thirds of the league's members.

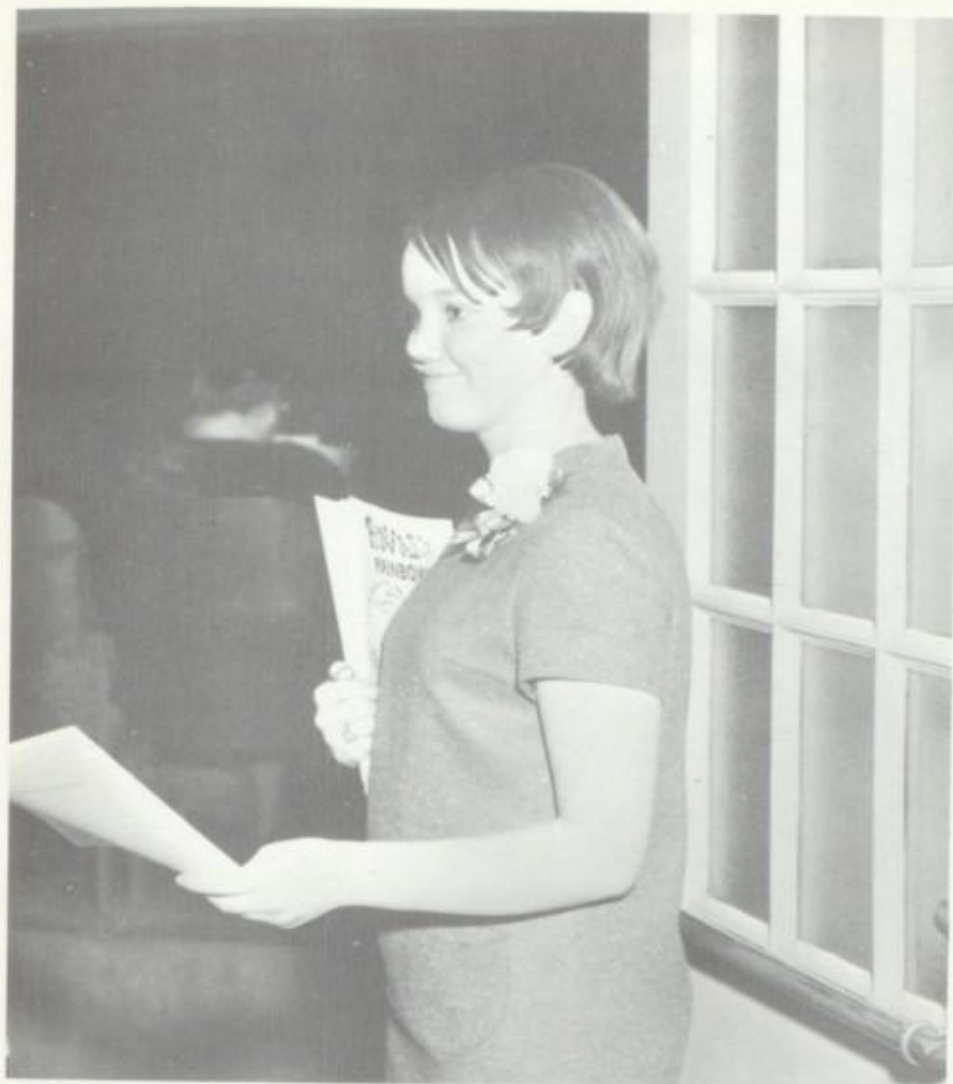

The Linion League's activities included the annual Thanksgiving and Easter assemblies, the annual decorating of the Christmas tree with the Alexis League, and the induction of new members in the spring.

The members of the Alexis League, Lincoln's oldest honor society, look to the past with pride and to the future with hopes of ever-increasing service to their school and their community.

The top-ranking girls in the junior class are inducted in the spring of each year, and, under the guidance of Miss Gatchel, step into their roles immediately as they usher at senior graduating programs.

It is the duty of members to usher at all school events, talk to incoming freshmen on visitation days, help decorate the Christmas tree in the lobby, and hold an annual banquet.

The 1967-1968 members found their membership a truly rewarding experience, as all have in the past and unquestionably will in the future.

The Lincoln Student Library Staff is students who are willing to devote time during and after school to work in the library.

The Student Library Staff has two purposes: to serve Lincoln High School and to become acquainted with the work of the library. The student librarians did such things as carding, shelving, renewing books, writing overdue notices, collecting fines, checking library permits, delivering attendance slips to study halls, and helping process new books.

The advisor to the library staff was Miss Margaret Atchison, Head Librarian.

"There is sweet music here, that softer falls than petals from blown roses on the grass. Music, that gentler on the spirit lies than tired eyelids upon tired eyes. Music that brings sweet sleep down from the blissful skies."

Music is essentially emotion, created at first by mechanical means, but translated into meaningful expression. In order to achieve an outstanding quality of music, the mind, as well as the voice, has to be trained.

The Lincoln A Cappella choir was comprised of select students willing to give devotion to attain painstaking results. Not only must a member achieve an awareness of good tone, fine interpretation, and impeccable rhythm, but he must also learn to incorporate his talent in a group. Good music is the result of homogeneity—many voices unified in one purpose.

Music is an essential element in our culture; it corresponds to the mood of the generation, yet it remains the same in its genuine purports. In addition to providing a pleasurable

experience, music demands outstanding mental qualities. The musician must cultivate a high degree of accuracy and great faculties of concentration.

The motto of the Lincoln A Cappella Choir is "In Giving We Receive." Our members agree that the rewards for perseverance, patience, and hard work seem to overshadow their best efforts.

Within the past year, the choir has presented the Broadway musical, FINIAN'S RAINBOW, the annual SPRING SING, and the ANNUAL CHRISTMAS CHORAL CONCERT. The choir has also been a part of school assemblies, the Baccalaureate Service, Commencement Exercises, and the All-City Choral Festival. The choir once again received two superior ratings. The first one was earned March 18, 1967 at Jackson High School, in the District 8 Choir Contest. The choir earned a second Superior rating at the State Competition Festival on April 29, 1967 at Lancaster, Ohio.

Finian's Rainbow

In following with the fine tradition of OKLAHOMA, THE KING AND I, and THE SOUND OF MUSIC, the Lincoln A Cappella Choir scored another tremendous success with FINIAN'S RAINBOW.

Six short, yet seemingly endless weeks of rehearsals preceded the actual performances. The many hours spent memorizing lines, repeating dance steps, perfecting an Irish brogue or a Southern accent, and working on interpretation gave way to the delightful effect of leprechauns in green suits entwined with a magic crock of gold and an old Irish gentleman full of Blarney. It was a thrill to see the audience stirred to a standing ovation on closing night.

After the leprechauns and Southern senators had disappeared from the halls of Lincoln High School, one was surprised how quickly the lines, dance routines, and song lyrics faded away. Yet there remained a "warmish, kind of glowish, kind of peculiarish sensation" in all of our hearts, not to mention the rainbow that never fails to come up when the Lincoln choir remembers FINIAN'S RAINBOW.

Whether as a field-show unit, or as a concert organization, the Lincoln Band has always been noted for topflight performance. This year was no exception.

The marching season was highlighted by a guest appearance at the Orrville Marching Band Festival and by the half-time performance at the Lincoln-Altoona game at Altoona, Pennsylvania.

The concert season was no less successful. In way of commemorating Mr. A. Jerd Bayless's 25th year as director of the Lincoln Band, the group performed such old favorites as "1812 Overture", "Italian in Algiers", "Victory at Sea", and "Mr. Lucky". New to the performing repertoire this year were "Swan Lake", "Andrea Chenier", "George Washington Bridge", and Morton Gould's "Symphony for Band".

Besides the traditional annual Spring and Winter concerts,

the Lincoln Band was again invited to share a guest spot at the annual Glenwood "Bands-in-the-Round".

Adding to the spirit of the always spirited basketball games was the Lincoln Pep Band. Win, lose, or draw, the group of volunteers could always be counted upon to supply added vim and vigor to the weekly basketball battles at the Memorial Fieldhouse.

The Stage Band, commonly known as "The Lionairs", was under the direction of Mr. Gary Kleptach this year.

Besides taking part in the Timken Stage Band Festival on January 20, this group was featured in the second half of the Winter Concert. Selections included such jazz favorites as "Whispering", "String of Pearls", "Harlem Nocturne", "Blue Champagne", and "The Old Piano Roll Blues".

The National Forensic League is the nationwide speech organization for high school students in the United States. From October to March its membership engages in interscholastic competition throughout the state. During the numerous Saturday contests various trophies and plaques may be obtained as a reward for outstanding performance. Lincoln actively participates in the entire scope of speech events: oratorical declamation, humorous and dramatic interpretation, debate, extemporaneous speaking, and original oratory. Involvement in the N.F.L. leads each individual to more effective public expression.

Radio Broadcasting

Each morning after the homeroom bell rings, you will hear religious music, the reading of the Bible, and then the reading of the announcements. The people who render this service are members of Radio Broadcasting.

One of the major purposes of Radio Broadcasting is to inform the student body of important announcements and upcoming events. The Radio Broadcasting services are used literally by every organization in the school.

Many of the students in the club are members of N.F.L. They use Radio Broadcasting as a practice for better speaking.

Starting this year, tryouts will be held in the spring for those interested in Radio Broadcasting. Mr. Dennis Sanders, the advisor, looks for students with the ability to read clearly and fluently, students who are able to think while they are reading, and those students who desire to do a much needed service for the school.

Mr. Kenneth Rook and members are watching Sheryl Yapko and Jack Harris compete with each other.

The purpose of the Chess Club is to stimulate an interest in chess and to form new friendships. The Chess Club is a long-standing organization at Lincoln. Since its beginning its members have fostered a growing interest in the club by having intramural and interscholastic tournaments. In the interscholastic events, players are matched against opponents of equal skill from other schools. The intramural tournaments are held the same way as the school intramural basketball games. Players draw numbers to see who they play first and then they will either advance or be disqualified depending upon whether they win or lose. An award is given to the winner of the tournament.

The Chess Club not only develops a person's skill at the game, but also increases patience and sportsmanship.

The Latin Club as they celebrate their Roman banquet.

The Lincoln Latin Club was organized in 1967 to give Latin students help in Latin and to help them learn about the background of the Latin language and Roman life.

Any student who has had at least one year of Latin at anytime can join. Latin I students were initiated after the first semester.

In the spring, a banquet was held at which the members dressed up like gods and goddesses. The freshmen were sold as slaves to finance the banquet.

Wig and Masque

"Act well your part, there, all the honor lies." Whether the part be shaping ears for a leprechaun, pulling a curtain, building sets or portraying the devil, Lincoln Wig and Masque members have learned that they are a vital part of play productions.

The fall musical, **Finian's Rainbow**, the two one-act plays, **Devil and Daniel Webster**, and **The Lottery**, and the all-school play all offered an opportunity for Wig and Masque members to use their various talents on stage, behind stage

and in the many areas of dramatic arts covered at the monthly meetings.

Wig and Masque is the Lincoln chapter of the National Thespians Society. The past two years have witnessed a remarkable growth in the number of Lincoln students who have had enough points to be Thespians and inducted into the national organization.

Wig and Masque is a learning experience in drama, a sharing experience in friendship, and a lesson in accepting and fulfilling responsibility.

The twenty-five members that made up the Art Club at Lincoln this year have shown great promise. The individual incentive shown by each member made this year's club one to be proud of.

Among the scheduled field trips of the Art Club were a visit to Stan Hywett, the Stark Wilderness Center and several colleges. The projects done for the school by the Art Club have aided each member in developing his talents.

The stage crew is composed of boys who volunteer their services in helping to produce any function at Lincoln that will involve the use of the stage and auditorium.

Their main projects this year were **Finian's Rainbow**, Christmas program by the choir, band concert, the one-act play, **The Devil and Daniel Webster** and the all-school play.

Stage Crew

STAGE CREW: Row 1, Mr. Kenneth Neff, Advisor; Jimmy Holzbach, Gary Regula, Mike Walker, Stage Manager. Row 2, Dennis Bartow, George Miller, John Mayko, Harry Steinke.

No curtain hid the wall or the sides of the stage. A tall ladder and a light stood in the back of the stage. The main curtain closed only once, at the very end of the play. As the play began, nothing stood on the stage but a few scattered platforms. But through the magic of imagination, that platform, some chairs, two tables, and a piano bench borrowed from the orchestra pit becomes Grovers Corners, N. H., **Our Town.**

The audience arrived at breakfast time in Grovers Corners and were carried through one entire day in the lives of the good people of the town. The Second act concerned

the love and marriage of George and Emily and thus culminated in a moving wedding scene.

The third act led to the cemetery on the hill where many of the townspeople were patiently awaiting greater understanding. Into their midst came Emily wishful to go back to life, to live again with her memories. But she was shown how futile it was to return.

The curtain closed as she returned to her grave, and as the clock struck eleven reopened on a stage bare except for several platforms scattered across the floor.

"If it isn't in the Echo it didn't happen"

The Lincoln Echo symbolizes the voice of Lincoln High School. It is a publication of, by and for the students. Directed by the editor, the staff and journalism class collect, report and publish the news to meet the triple requirements of accuracy, responsibility, and fairness.

The Lincoln Echo's purpose is to bring to the students news of all school activities such as programs, assemblies, dances and special events; student government news, such as elections and student officers; local news affecting the school such as happenings in the community which have a direct bearing on the school and its activities; club news, sports, editorials, columns, personality sketches and miscellaneous features in order to inform, explain and entertain.

The Lincoln Echo is published by the North Canton Sun using the letterpress method. The staff plan and prepare the make-up and lay-out to catch the interest of the reader and to please the eye.

The staff is trained in all phases of newspaper work. To join the staff of the Lincoln Echo requires that a student want to serve Lincoln High School, that he have a strong sense of responsibility, an interest in other people, and an awareness of what is happening in his environment.

Row 3, Linda Johnson, Mickie Kasper, Linda Crooke, Robyn Wuertz, Kathy Kendig, Loretta Bradley.

The purpose of the Future Secretaries Club is to help the junior and senior girls prepare for their careers as a secretary, typist, stenographer, etc.

To belong to F.S.A., a girl must take a business course consisting of typing, office practice, and shorthand. She is required to attend three of the meetings that are held uptown and five that are held after school.

Members visited Nationwide Insurance Company, had a banquet at the Pines, and had speakers from Ohio Bell and the Jane Skinner Finishing and Career Academy. The club finished the year with a picnic for the members and their guests.

The purposes of Future Homemakers are related to the development of the personality of the girl and to her work toward the improvement of her home, school, club, church, and community. Membership is open to any girl who has successfully completed a course in Home Economics.

The club sponsored well-informed speakers from various professions and interesting field trips for the meetings this year. Through the activities of the club the girls gained much information that will be valuable in the years to come.

Future Teachers of America

The Future Teachers of America Club is a national organization for those students who are interested in the field of education and are thinking seriously about entering it. The Harold S. Vincent Chapter of Lincoln, composed of fifty members, is one of many throughout the country. The club met once a month. Each meeting was designed to better acquaint the members with the teaching profession through interesting speakers, service projects, and field trips.

Taking gift-wrapped coffee cans filled with Christmas cookies to the Wayside Community Home and sending Valentine favors to two Canton nursing homes were just a

couple of the service projects performed by this club. The different activities gave students an opportunity to learn some of the requirements of the teaching profession by actual experience.

At the end of the year, those who had earned a sufficient amount of points, based on a merit system, received their F.T.A. pin. This pin represents the members' completed goal of furthering their interest in the field of teaching.

The last meeting of the Future Teachers Organization was a picnic held at Clay's Park.

The Future Nurses of America, with forty-five members, offer many chances to girls to explore various medical careers. Through candy striping and other volunteer work the members increase their knowledge of nursing, dietetics, technology, and therapy.

After the ordinary business of each monthly meeting, there were talks by a practical nurse, an Army nurse, a veterinarian, and many others.

Among the year's activities were a bake sale, a tour of Massillon City Hospital, and the annual F.N.A.—F.T.A. Christmas Party.

They try to break down the boundaries of prejudice by increasing friendship with other races and creeds, and by learning to understand and

appreciate other beliefs. Y-Teen girls try to develop their abilities in all fields by participating in sports such as swimming, volleyball, and basketball.

The members of the club had many social events such as formals, hayrides, winter retreats, and pajama parties where they just have fun. In all these many ways, Y-Teen girls try to show their community that they are proud of being a teenager.

Every morning at 8:00 the job of putting together an annual gets underway in 301A and the Projection Room. With all desks piled high with triplicates and carbons, rough draft copies, contacts of pictures, advertising contacts and all of the other paraphernalia that goes into the make-up of an annual, it is a wonder that finally some order can be brought out of this chaos.

But by hard work and many extra hours spent outside school hours, all of the deadlines were met by the staffs. **THE LIONIAN**, we present to you, is a pictorial history of Lincoln High School of 1967-68 for you to treasure and to refer to many times in the future.

SPORTS

The ranks of Lincoln's cheerleaders, now filled by six girls from the sophomore, junior and senior classes, are as indispensable a part of Lincoln's athletic games as the team members themselves. Much of the girls' spare time is spent preparing new cheers and skits for pep assemblies and games—an extracurricular activity made evident by their skill and ability. While their cheers are always an entertaining part of every game, perhaps their most important duty is to encourage the fans to cheer for the team and spur the boys on to victory.

Majorettes

The Lincoln High majorettes for the 1967-68 season were chosen at tryouts held at the close of the 1967 school year. They rehearsed once, sometimes twice a week for the entire summer and football season under the direction of Susan Lloyd Vasbinder who donated her time to prepare single and double baton routines plus dance routines for these girls. The girls performed their routines with precision at all of the Lincoln football games and parades, along with the Lincoln Marching Band. Leading the group this season was Head Majorette Linda Crooke, who displayed outstanding talent twirling not only one and two batons but also three which was something entirely new to the Lincoln fans. The girls are convinced there is a great deal more to being a majorette than just receiving the title; however, the personal thrill of a job well done is well worth every minute of hard work devoted to this task.

The 1967 Varsity Football team had one of the toughest schedules they have ever had. With Head Coach Lou Venditti the Lions won their first three ball games over Canton Lehman, St. Thomas Aquinas, and Canton Timken. They then suffered four heart-breaking defeats in a row. First Canton McKinley, then Steubenville Big Red, an upset followed by Steubenville Central Catholic, and finally Cuyahoga Falls.

The Lions jumped back in the winning circle by defeating Canton Central Catholic. With great odds against our boys, they finished the season by defeating a tough Barberton team, and upsetting Altoona, Penn. The team ended the 1967 year with a 6-4 record.

Lincoln had 7 boys on the All-City squad while having 5 on All-County. Keith Best made first team All-State, while Dale Wernecke and Joe Predisik made honorable mention.

The Lions were the defending city, sectional, district, and regional champions this year. The Lions started out very slowly, which was to be expected with only 2 lettermen returning from last year. Ken Newlon, in his 12th year as head coach at Lincoln, and the inexperienced team were given very little chance of repeating any of the championships won last year. Under the leadership of Captains Bruce Fowler and Keith Best, the Lincoln basketball team fought its way to a very respectable season record of 13-5. With Fowler, Best, Evans, Trascik, Malernee, and S. Miller as the mainstays of the team, they defeated a strong Lehman team in overtime, lost to a fine Timken team and climaxed the season with the 4th straight victory over the McKinley Bulldogs, which gave them a tie for the city championship. In the final Associated Press poll, Lincoln ended in 17th place in Ohio.

Starting the tournament trail, the Lions defeated Minerva, Canton Timken and then lost to a strong Marlinton team in the sectional finals. This gave the Lions a final record of 15-6.

Individual honors were gained by Bruce Fowler, who made first team, All County, All City, and All Northeastern Ohio and second team All Ohio. Keith Best was named to the second team All City.

Don McVehil and Denny Blake practice hard for the upcoming season.

The varsity wrestling team ended with an even 4-4 record. The Lions, coached by Lee Connor, came in second in the first All-City Wrestling Meet ever held.

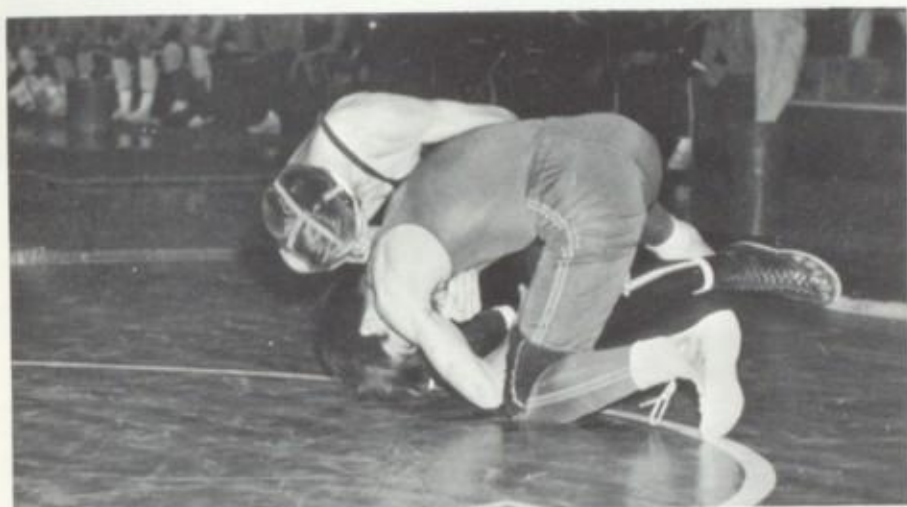

The starting mat men were Craig Smith wrestling in the 138 division, Denny Blake 145, Don McVehil 154, Mark Mallet 165, Jim Horner 175, and Joe Predisik heavyweight. Greg Wentz also wrestled as a starter when Joe Predisik was out with a broken hand which he broke in the Altoona football game.

The Lions started out slow winning only one out of the first four matches but coming on strong with three out of the next four matches.

In the tourneys in which they participated they all made fine showings. In the Massillon Tourney McVehil came in 2nd, Blake 3rd, and Predisik 4th. In the Louisville Tourney Blake came in 1st, McVehil 1st, Mallet 3rd, Smith 4th. In the All-City Tourney Smith came in 1st, McVehil 1st, Horner 1st, and Predisik 1st. In the Sectional Tourney Blake came in 2nd and Smith 4th. In the District Tourney Blake came in 3rd.

Frosh placed 2nd in the all-city meet.

Joe Predisik heaves the shot putt past his opponent's.

Bruce Breslin flies easily over the high hurdles.

Miler, Dave Wottle, breaks another record.

The 1967 track season saw many records go by the way-side. The team was led by high point man, Dave Wottle. He was Canton's only representative to the Ohio State Track Meet, in which he placed fourth in the mile run with a time of 4:22.4.

The city championship found our boys being edged out of first place for the team championship, but five boys placed first in the winners' circle. Bruce Fowler won the shot putt with a heave of 54'5 1/2", Joe Predisik led the discus throwers with a throw of 149'9", Alan Orwick captured the pole vault with a vault of 12'6", Bill Ludwig took the long jump with a leap of 19'10", and Dave Wottle won the mile run.

New county or school records were set in the following events:

Event	Time	Record Holder
880 yd. dash	2:00.3	Dave Wottle
One mile run	4:22.4	Dave Wottle
Two mile run	10:26.9	Howard Stewart
One mile relay	3:30.4	Roloff, Lippka, Garber, Wottle
Two mile relay	8:37.1	Best, Noretto, Newbauer, Wottle
Four mile relay	19:29.1	Stewart, Lippka, Skeeles, Wottle
480 yd. shuttle hurdle relay	:60.2	Behm, Blake, Leach, Breslin

When the coach is away some boys will play.

Row 1: Bruce Jaquay, Brent Wisniewski, Paul Snyder, Gary Mallett, Otley Green, Jerry Scott, Lee Welch, Mike Cain, Dale Wernecke, Ron Tustin. Row 2: Jim Nolte, Terry Brahlner, Mike Hoagland, Doug Miller,

Bob Neff, Jack Garber, Coach Miller, John Evans, Frank Trascik, Dan Plott, Lou Suarez, Jim Watson, Bill Frederick.

Jerry Scott waits anxiously for the next pitch.

Baseball

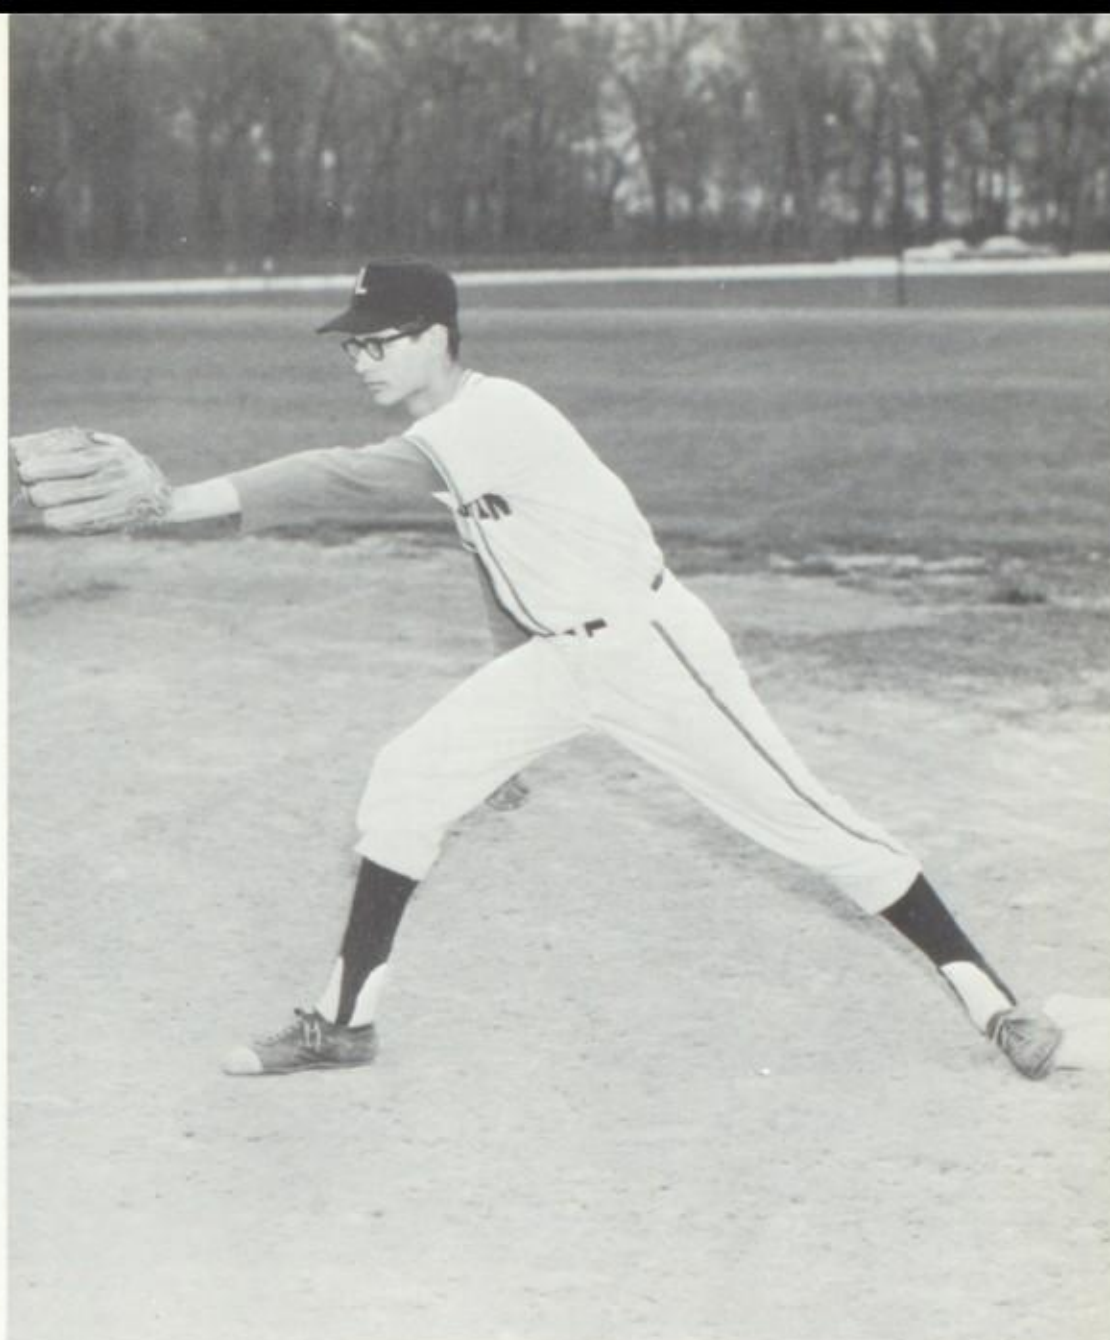

Paul Snyder is ready to catch a foul ball.

The Lincoln High School Baseball Team had a winning season in 1967. They finished the year with a record of 10 wins and 9 losses. The weather was often dismal but the team tried each time to play outstanding baseball. Leading the attack were Lee Welch, Dale Wernecke, and Otley Green.

The pitching staff of Jim Johnson, Mike Cain, Jeff Skeeles, Brent Wisniewski, and Bruce Jaquay as a team were able to shut out such teams as McKinley and hold Sandy Valley to a one-hitter.

Awards in 1967 went to Lee Welch for the most valuable player, he also received an award for the most times on base, Dale Wernecke had the best percentage in batting, and Otley Green was named the best defensive player.

Gary Mallett awaits the throw to first base.

Spring 1967

Lee Welch raps a single into right-field.

Otley Green, concentrates on fielding the next ground ball.

The 1967 tennis team, coached by Mr. Warren Fox, had one of its best seasons yet with a record of 3 wins and 7 losses. This was better than last year's record of 1 win and 7 losses. Victories came against Massillon, North Canton, and the Faculty.

Dave Kent was number one man and was the only one to have a winning season. His record was 5 wins and 4 losses. Dave Snyder and Dave Miller were number two and three on the team respectively. Dave Kent and Dave Snyder entered the District Tournament and won four sets before losing to a tough Wooster team.

Mr. Fox is looking for a good season next year with the following boys as returning lettermen: Dave Kent, Dave Miller, George Yanok, and Mark White.

Row 1: Mark White, Steve Swanger, Mark Graham, Dave Miller. Row 2: George Yanok, Jason Swartz, Dave Numbers, Dave Kent, Dave Snyder.

The 1967 Lincoln golf team rewrote the record books by shooting a team total of 154, bettering the mark of 157 strokes set three years ago. Their record of 10 wins and 11 losses bettered the previous year's record of 6 wins and 13 losses. Victories came against Timken, Canton South, Tuslaw, and United Local.

Gary Negulici took medal honors for the second straight year. Mark Lane and Bill Murphy were the second and third players respectively. Mark Di Marzio, Greg VanOstran, and Bill Slusser alternated at the fourth player position.

Gary Negulici, Mark Lane, Bill Murphy, Greg VanOstran, and Bob Mills were the senior members of the team. Mark Di Marzio and Bill Slusser will be the only returners for coach Lou Venditti.

Lincoln High School Leadership

The Board of Education of the Canton City Schools is comprised of dedicated, unselfish individuals. These Civic-minded citizens spend untold hours reading the latest information on school management and weighing the recommendations of the Superintendent and his assistants for improving our educational system.

Their progressive attitude is shown by the fact that they are interested in new innovations. Excellent examples of this forward movement are the "Campus Plan" and the educational liaison with Cali, Colombia.

Personal glory means nothing to these individuals. Their satisfaction is derived from knowing that they are doing their utmost in providing each student with the best education, to fulfill that student's individual needs and enable him to become a responsible citizen of our great nation.

The leadership provided by the Principal and Assistant Principal at Lincoln High School is most aptly described by the following excerpt which is taken from the report of the North Central Evaluation team which visited Lincoln this past year:

"There appears to be excellent rapport between the faculty and administration. This rapport seems to be built upon mutual trust, a great measure of academic freedom, and a sincere interest in the student body. It was obvious to this committee that the school principal and his staff were in complete control of the educational program and all related facets. Much of the success of this administrative team is attributed to good communication and a close-working relationship."

Andrew Kristy, Assistant Principal

Mrs. Bolster received her Bachelor's degree from Western College for Women. She began teaching in Cadiz and Lima, Ohio before she left to be married. She later returned to the profession as a substitute "to keep in touch," but preferred full time teaching. Since coming to Lincoln she has taught English and dramatics and directed plays. Mrs. Bolster now is sponsor for the Lincoln chapter of F.T.A.

Although she works with books all day, her favorite form of relaxation is reading a good book. Her favorite hobby is flying to the States of Washington and Florida to visit her family.

Through the years of teaching in High School and at Canton College for twelve years, Mrs. Rensch has watched styles and times change. But she does not feel she should change her high standards of the work required of today's students. She feels to do so would be a great injustice to them.

While she enjoys the "music of typewriters" in the classroom, Mrs. Rensch is always ready, after a day of it, to sit awhile and listen to soothing music from her many carefully chosen record albums.

If she has time for a hobby, it is trying new recipes to see if they are as beautiful as shown in a magazine. This keeps her husband and dog wondering, "What next?"

Mrs. Rensch likes to listen to soothing music.

Mrs. Bolster enjoys reading a good book.

CLASSES

Freshmen

The freshmen adjusted very well to Lincoln High School this year. The class of '71 was really on the go!

Many cheering students attended the freshman football and basketball games. The varsity games also had a large number of frosh present.

Cooperative students helped the class party to be a grand success. From the enthusiasm that the freshmen displayed this year, Lincoln High can expect great school spirit from this class.

The Freshman Class Officers are: President, Tim Clark; Vice-president, Jean Voltz; Secretary, Kay Cameron; Treasurer, Nellie Walker.

Sophomores

The Sophomore class this year was an exciting one. The class party was held in February and the entire class participated in the Sports Prom held late in the spring.

Many of the Sophomore boys and girls participated in intramural sports during the year. The boys who participated in intramurals formed eight teams which played on Saturdays in the school gym.

During the year, the Sophomores were well represented at all of the Lions' games and many of them also attended the Lag Drag Dances after the games.

The Sophomore Home Rooms joined other home rooms throughout the school in collecting small items such as soap, and toothpaste for the Applecreek State Hospital and also filled boxes to be sent to the military in Viet Nam.

Juniors

The Junior Class of 1967-68 was a class well-represented by its students in all the activities sponsored by the school. The Junior class sent two exchange students, Jack Harris and Judy Guist to Cali, Colombia for the second semester of their Junior year.

At the Junior Class Party the Other Guys played, refreshments were served and the party was a highlight of the year.

Many of the Junior boys participated in varsity sports and gave it their all. A great many of the boys and girls participated in activities of the band and choir helping to bring the band and choir the honor of being among the best high school bands and choirs in the state.

Two of the innovations that were enjoyed by the Juniors as well as the Senior Class this year at Lincoln were no study halls, unless your grades dropped below passing, and the privilege of attending campus-type classes in the other three high schools in the city.

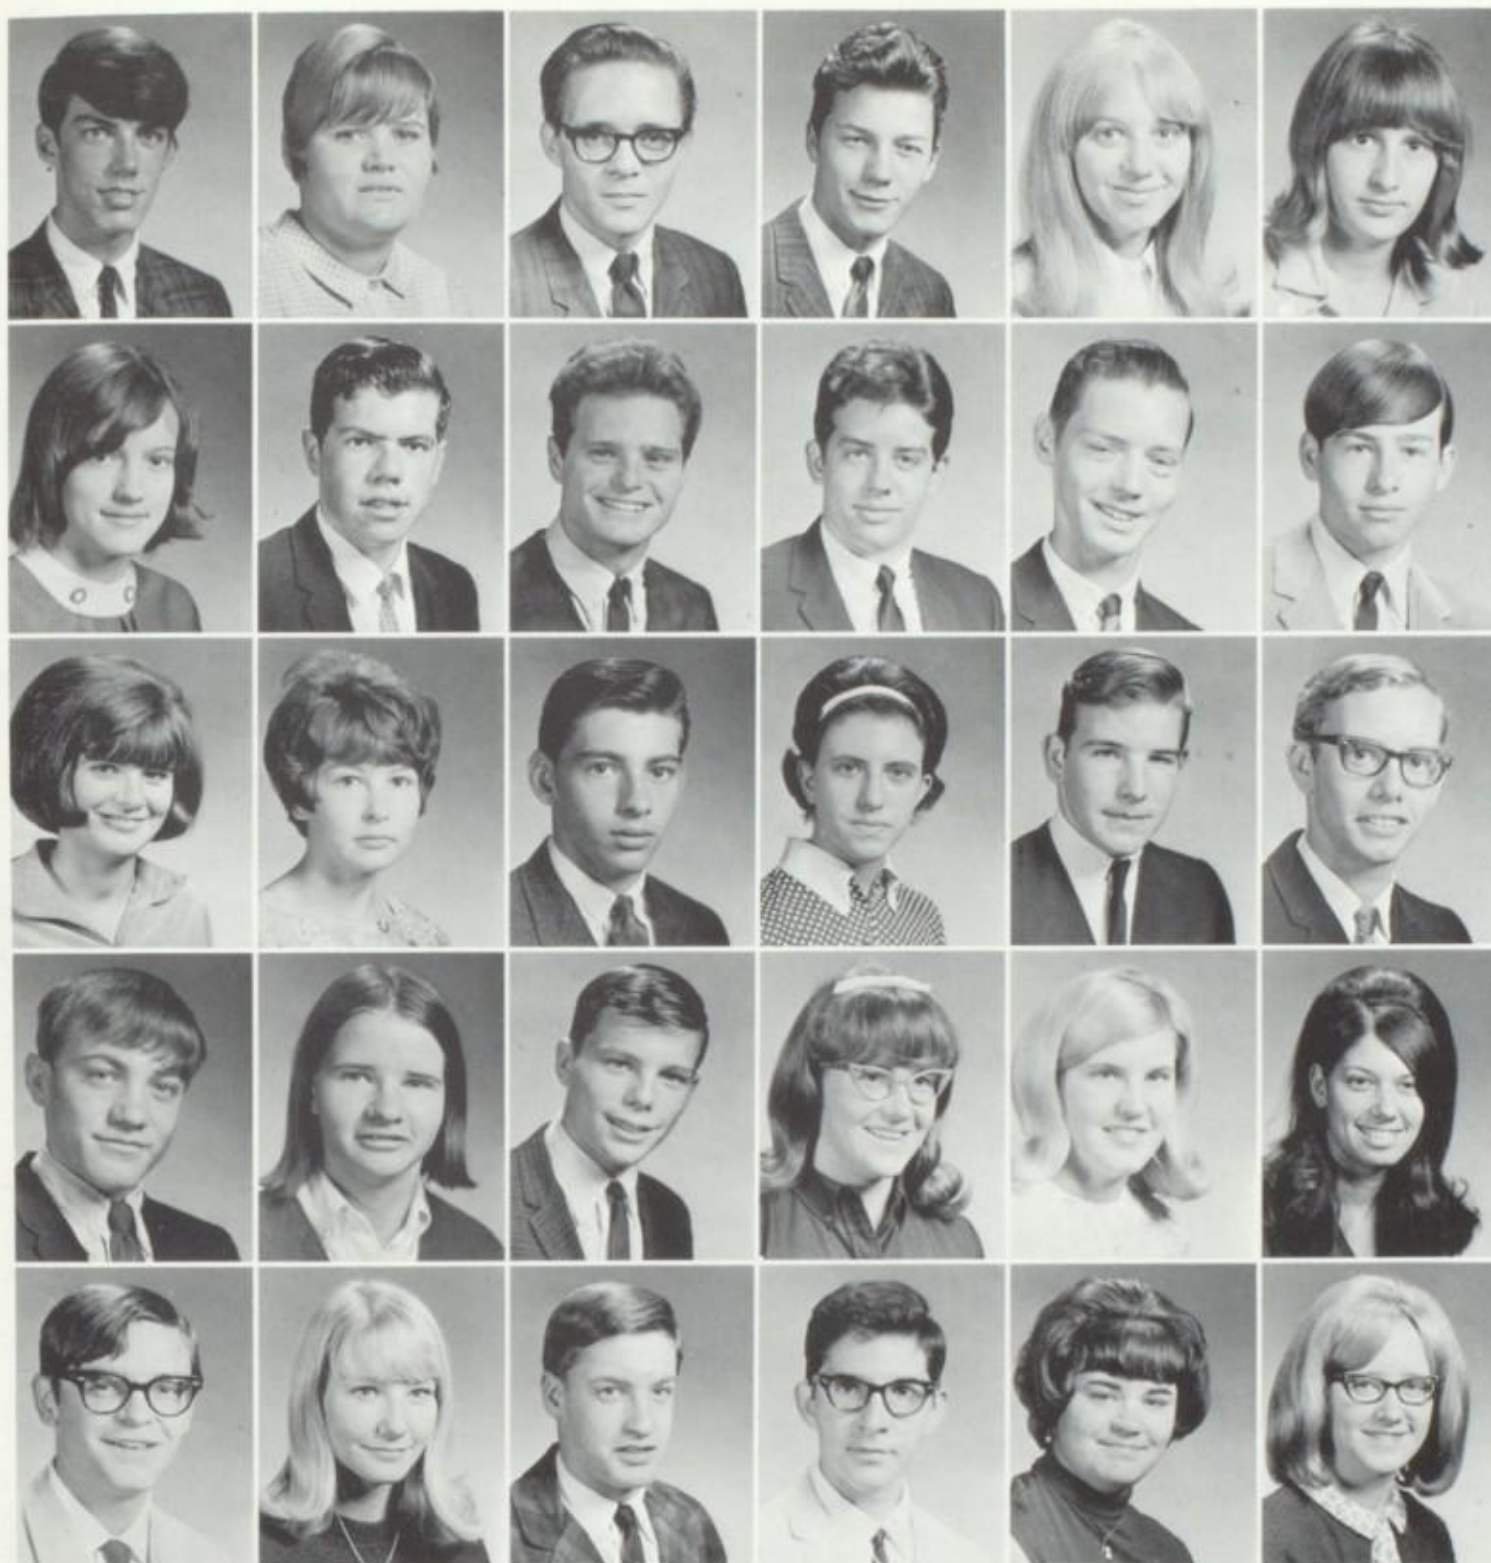

The Junior Class Officers are: President, Bob Neff; Secretary, Debbie Kidd; Treasurer, Becky Lightbody; Vice-President, Ron Beebe.

A cold, sunny afternoon is the setting for Lincoln's Senior Leaders, Senior Class Officers, and Booster Club Officers informal pictures. The Senior Leaders, chosen on the basis of their leadership and activity in numerous clubs, beam with shivering smiles in the wind about the Hall Of Fame. The Senior Class Officers and Booster Club Officers stand at attention as their picture is snapped in an especially cold wind at the McKinley Monument.

The Senior Class Officers are the victors of a popular vote involving the Maroon and Gold parties with the Maroon coming out victorious.

The Booster Club Officers are the leaders of Lincoln's largest club. They are instrumental in helping to create the wonderful school spirit of Lincoln High School.

BOOSTER CLUB OFFICERS: Chip Conde, President; Paula Massouh, Secretary; Ila Logan, Vice-President; Tim Jackson, Treasurer.

Exchange Student to Denmark

Dee Dee Shackle, a 17 year old senior, spent her senior year as a Rotary Exchange Student at Sct. Kundgymnasium in Odense, Denmark. Sct. Kundgymnasium is a strictly educational school. It is not sports-minded and the only extracurricular activities available are the school choir and a girl scout troop. During her stay in Odense, Dee Dee resided in the home of Mr. and Mrs. Hans Schroder and family.

Since Dee Dee was a girl scout here, she also participated in girl scout activities in Denmark. From April 10-24, she attended a Girl Scout Jubilee in England which included participants from all over Europe. Her favorite hobby is knitting and she loves sports—especially basketball.

Dating habits at Sct. Kundgymnasium are quite different from those here at Lincoln—everything there is dutch treat. Dee Dee left New York on August 5, and returned on May 11, to participate in the Junior-Senior Prom and graduation exercises.

Exchange Student from Columbia

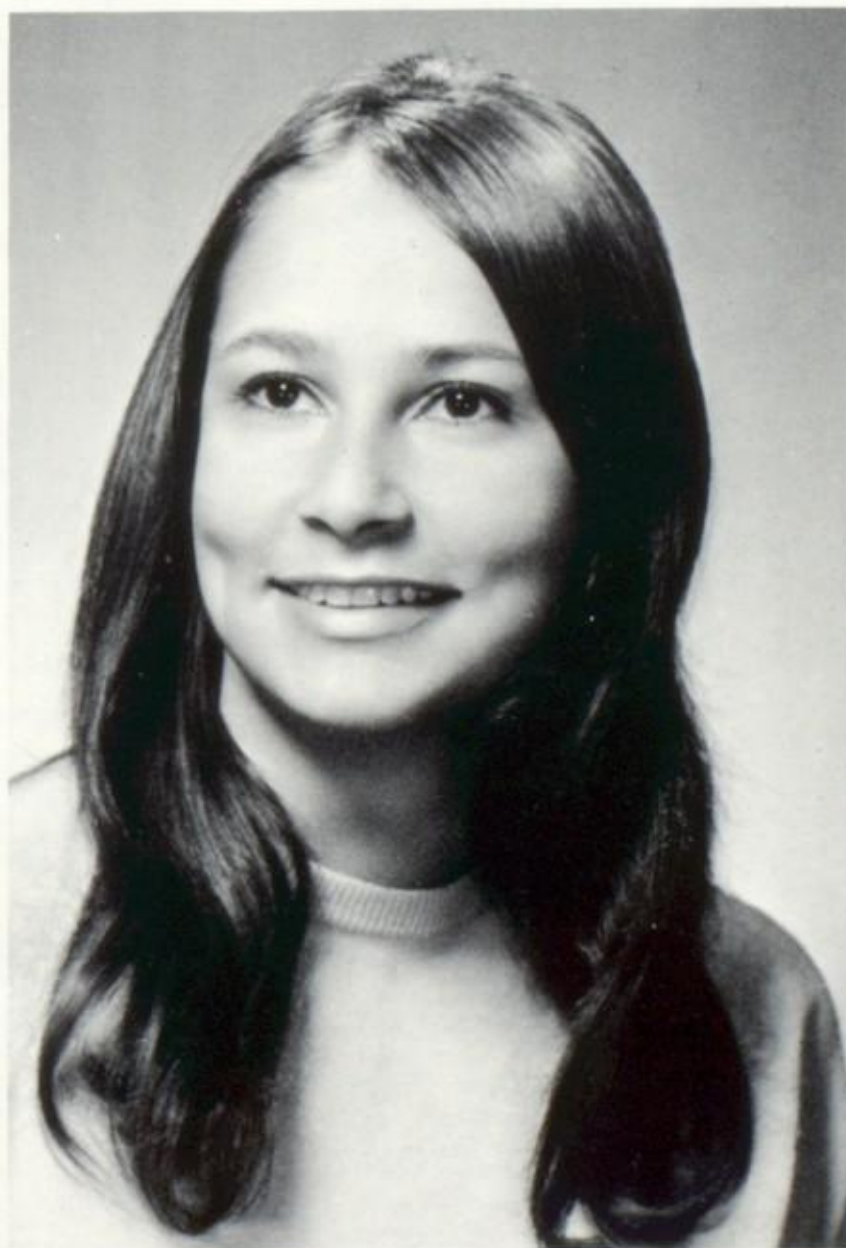

Maria Perez, a 16 year old junior, spent the second semester of her junior year at Lincoln as an exchange student from Collegio Bolivar in Cali, Colombia. She lived in the home of the Robert Henke family during her semester stay in Canton.

In Cali, Maria's activities include swimming, golf, and horseback riding. She is a member of the country club and participates in its various activities on Saturday and Sunday. She is the assistant editor of her school's yearbook and a member of the basketball team.

Maria saw snow for the first time when she arrived at Akron-Canton Airport on January 25, and she "loved it."

She especially liked the school schedule with unassigned periods instead of study halls.

Maria will complete her stay in Canton on June 15 and on the way home she plans to stop in Miami for two weeks' vacation.

McDONALD'S

A Timken® bearing never asks about your race, color, creed or national origin.

The quality of our products depends upon the ability of the men and women we employ.

So it's no surprise that our employment policy is based only on your ability. Not on your place of birth, your religious faith, or the color of your skin.

One of our vice presidents describes it this way: "We hire **people**." We also recruit **people** on college campuses, train **people** in apprenticeship programs, promote **people** to better, more responsible jobs.

Our long-standing policy has been clearly and simply stated and restated as follows:

"The Timken Roller Bearing Company reaffirms its policy of treating all employees and applicants, whether or not they are members of minority groups, equally according to their individual qualifications, ability, experience and other employment standards."

It means we can select from all qualified job seekers, not just a chosen few. It gives us a larger labor market from which to pick.

And that's what we pick... the qualified. It takes qualified people, working under the best conditions, to make the best Timken® bearings, Timken steel and Timken rock bits.

The Timken Roller Bearing Company.

ALICE IN APPLIANCELAND...

You probably recall that at one point in her adventures in wonderland, Alice found she had to keep running faster and faster to stay in the same place. We know how she felt.

Over the years, dozens of companies have challenged the leadership of Hoover cleaners . . .

unsuccessfully. We've maintained our leadership through a constant program of product development and improvement for our cleaners, and for our many other products.

So, in effect, we keep running faster and faster to stay where we've always been . . . in first place.

It isn't easy, but it would be a lot tougher without the dedicated skills of all the men and women of The Hoover Company.
